

21st May, 2013

Dear Member,

We are glad to inform you that **3rd India Engineering & Sourcing Show 2014 (IESS 2014)** being organized by Department of Commerce, Ministry of Commerce & Industry, Government of India in coordination with the implementing agency EEPC India (a premier trade promotion body), will be held at **Bombay Exhibition Centre, Mumbai, from 22-24th January 2014.**

IESS 2014 will provide global platform for Indian organizations to highlight their technological capabilities. EEPC India is expecting several delegations from USA, Canada, Europe, Africa, Latin America, Middle East, ASEAN and CIS countries. To coincide with the event, EEPC India will be organizing several parallel session including global vendor development seminars, Investment Forums, B2B, National Export Excellence Awards etc. It is a partnership event and aims at developing business partnerships with India in the engineering sector focusing on Automobile component & Systems, Industrial & Electrical Machinery., Technology Research & development and subcontracting.

With the support of Ministry of Commerce & Industry, EEPC India will be offering subsidized packages to the overseas serious buyers to participate at the show & also display its technological capabilities.
