

12<sup>th</sup> June, 2013

Dear Member,

We are happy to inform you that first **India International Cleantech Summit 2013** – first ever platform for Cleantech ecosystem in India, organized by Federation of Indian Chambers of Commerce and Industry (FICCI), will be held at **FICCI Auditorium and Federation House, New Delhi, from 8<sup>th</sup> – 10<sup>th</sup> October 2013.**

The three-day event is designed to cater to the entire Indian and Global Cleantech Ecosystem consisting of Industry, Cleantech Innovators, Developers, Suppliers, Financiers, as well as users. The Summit would provide a convergence platform for the diverse stakeholders of the Cleantech community and act as a game changer focusing on Cleantech applications, innovations and investment that can be scalable, replicable and provide significant socio-economic-environmental benefits. The Summit will also help in bridging Cleantech companies with Cleantech investors, enabling them to explore partnerships through innovative solutions and business models, and foster collaboration between Indian and global stakeholders.
