

8th May, 2013

Dear Member,

We are glad to inform you that **Plastivision 2013** - 9th edition of International Plastics Exhibition & Conference organized by the *All India Plastics Manufacturers Association, Mumbai* and supported by the Ministry of Chemicals & Fertilizers, Government of India – will be held from 12th to 16th December 2013 at Mumbai.

The exhibition is planned to spread over 75000 sq. meters; 1500 exhibitors from more than 50 countries are expected to showcase their products/technologies and is likely to attract around 100,000 trade visitors. Leading plastics associations from across the World have extended their support to the mega event which is considered among the top 5 plastics exhibitions in the World.

For more details of the event, interested members may please visit their website: www.plastivision.org or contact the following:
