

Dear IBPC Members,

Constitution & Articles of Association (CAA)

Greetings & best wishes to you and your families for 2019 and beyond.

The year has begun with an excellent book launch event this morning, during which, Mr. Gopi Kallayil the Chief Evangelist @ Google in the Silicon Valley spoke splendidly about Happiness, Goal Setting and indeed, in an objective, measurable 'OKR' manner.

Members will recall that several of them gave excellent and relevant suggestions to the proposed Constitution in November 2018. These were reviewed, and where appropriate, incorporated in the finalized version.

DCCI has approved the Constitution & Articles of Association (CAA), formally, as per the attached letter from the Dubai Chamber/DCCI).

A copy of the approved IBPC Constitution & Articles of Association (CAA) will be uploaded onto IBPC's website.

We now propose to hold the elections for the posts of President and Vice President of the Executive Committee of IBPC in early March 2019 and intend appointing an Election Officer for this purpose, shortly. Eligible candidates that wish to be considered for such an appointment may please forward their credentials/CVs to office@ibpcdubai.com prior to 14th January 2019.

Election Officers appointed previously by IBPC and who had conducted the elections with dignity and good discipline will also be considered.

IBPC Dubai has stabilized and is on a positive and proactive growth phase. A number of initiatives and action plans are in the offing to further enhance the quality and range of activities and membership.

The Governance Board, alongwith, the prospective Executive Committee will ensure and accomplish, good governance and operating synergies - in-line with IBPC's Constitution and global best practices.

With best regards,

Suresh Kumar
